FAVA FEST Hindsight 2020: ONLINE FILM FESTIVAL  
*150+ Films from 80+ from Edmonton and Canadian Filmmakers*

The Film and Video Arts Society of Alberta (FAVA) presents: **FAVA FEST Hindsight 2020**, an online retrospective celebrating eight years of FAVA FESTS for **free** public viewing **online** on FAVA's streaming platform [FAVATV.com](http://FAVATV.com) from **April 17<sup>th</sup> to May 1<sup>st</sup>**.

FAVA FEST Hindsight 2020 is an online film festival that will feature **hundreds of films** made by **FAVA Members** over the last decade. Dozens of these films have received Awards for Outstanding work from a jury of accomplished filmmaking peers and audiences will have the opportunity to watch them all **online and on-demand** for the **two-week** duration of the festival. The festival coincides with [National Canadian Film Day on April 22<sup>nd</sup>](#) encouraging all Canadians to celebrate our nation's filmmakers.

By following FAVA's social media channels twitter ([@FAVA\\_Love](#)), Instagram ([@FAVA\\_Love](#)), and Facebook ([fb.com/FilmAndVideoArtsAlberta](https://fb.com/FilmAndVideoArtsAlberta)) you can stay updated with facts about the films, learn more about the filmmakers, and join in the discussion.

Each spring since 2012, FAVA has been running FAVA FEST, a multiple day film festival featuring screening, artist talks, gear demonstrations, and art installations that all culminate in our awards GALA. Given the current public health emergency, we have an opportunity to showcase the amazing work that Edmonton and Albertan film/video makers have produced by bringing them into the homes of Canadians, at a time when we are physically-distancing.

FAVA is a not-for-profit charitable society and artist run centre that serves our membership of independent film, video, and media artists. All the films featured in FAVA FEST Hindsight 2020 will be receiving artist fees for their works. Donations can easily be made online from FAVATV.com and those funds will contribute to paying over eighty artists.

**FAVA FEST Hindsight 2020** is an opportunity for audiences and artists to **connect** digitally **online** and through **social media**. Full festival details are on [FAVA.ca](http://FAVA.ca) and to watch hundreds of locally produced award-winning independent films and videos visit [FAVATV.com](http://FAVATV.com) from **April 17<sup>th</sup> to May 1<sup>st</sup>**.
